UI/UX DESIGNER

- Born on September 18.1987
- Lives in Belgrade, Serbia

Hi! I'm Marina – a UI/UX designer based in Belgrade. My work is deeply rooted in clean and typographic approach, with think outside the box mindset.

Combining research, strategy and visual best practices to create distinct impactful digital experiences.

Classically trained as a graphic artist, I completed my Bachelor Degree in Graphic Design at the Senior College of Fine and Applied Arts in Belgrade.
